REMARKS

Applicant believes this Amendment is appropriate since the amendments requested are merely to correct formal matters in connections with the drawings. More specifically, the specification has been amended to appropriately refer to FIGURES 1-12. These amendments do not add new subject matter or require substantive examination or additional work on the part of the Patent Office.

If there are any questions regarding the foregoing, the Examiner is invited to call applicant's attorney at the number identified below.

Respectfully submitted,

CHRISTENSEN O'CONNOR
